(b) if so, what is Government's reaction thereto?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI KHURSHID ALAM KHAN): (a) and (b) The Government have seen the news item captioned "NRI help to market new export items advocated" which appeared in the Business Standard of 16th September, 1985. On its part, the Government is making continuous efforts to increase India's exports. These include measures for increasing and diversifying the production, making our exports more competitive, finding new markets for our products and processing commodities for higher value realisation. The current Import-Export Policy has been formulated to give a major thrust to exports.

Black tiger shrimps market

@*416-A. SHRIMATI SUDHA VIJAY JOSHI:
SHRI M. KADHARSHA:

Will the Minister of COMMERCE be pleased to state:

(a) whether it is a fact that the Indian marine exporters are being elbowed out of the black tiger shrimps market in Japan by Taiwan;

(b) if so, what are the details thereof;

(c) what steps Government have taken or propose to take in this regard; and

(d) what is the quantity of black tiger shrimps exported to different countries during the last three years and the export earning on that account?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI KHURSHID ALAM KHAN): (a) and (b) There was a fall in our exports of black tiger shrimps to Japan during the year 1984-85 as compared to 1983-84. This fall was due to poor loadings of tiger shrimps in Calcutta region. During this period some countires like Taiwan were able to step up their supplies to Japan due to their improved landing and met the increased demand of shrimps in Japan. Inspite of this overall export of all species of shrimps to Japan were marginally higher during the current year as compared to last year.

(c) Government has taken up a number of steps to promote exports of shrimps including black tiger shrimps like establishment of commercial prawn hatcheries by MPEDA, seed banks and modernisation of shrimps processing plants.

(d) The export of black tiger shrimps are mainly to Japan from Calcutta region. The export during the last three years were as follows:—

	(Quantity in Tonnes)	Value in Rs. Crores)
1982-83	4510	42.87
1983-84	4419	43.16
1984-85	3763	32.24

The export of black tiger shrimps to other countries is negligible.
